

From the Desk of Editor-in-Chief...

I am delighted to announce that the *Research Journal of Pharmacy and Life Sciences (RJPLS)* is set to release its Volume 6, Issue 3 (September–December). As the Editor-in-Chief of RJPLS, I extend my sincere gratitude to all the contributors for submitting their valuable manuscripts and for showing keen interest in publishing their work with us. We are pleased to share that we are making our best efforts to publish high-quality articles while fulfilling our objective: “*Let Others Know Your Research.*”

I would like to thank everyone involved in the success of this journal—our manuscript contributors, reviewers, and all individuals who have contributed directly or indirectly. We also invite institutions to share their news, as well as individuals to submit their academic achievements, for publication in this journal. This initiative aims to disseminate valuable information to the scientific community and the wider public.

I wish you all a very Happy and Prosperous New Year 2026. May everyone achieve success and happiness in both their professional and personal lives.

Anjan Kumar Mahapatra
Editor-in-Chief, RJPLS
